

[Discloser Name]

[Discloser Address]

Attention: [Contact Person], [Contact Person Title]

[Date], 202_

[Discloser Contact Person]:

[Discloser Name], a [entity type] ([including its subsidiaries,] the “Company”), has solicited the interest of the undersigned (“I” or “me”) in a relationship with the Company to perform certain services relating to [*describe services*] (the “Relationship”). I have indicated a willingness to consider the Relationship.

In connection with my contemplated or actual provision of services to the Company, I have been and will be provided with descriptions of the Company’s ideas, access to [*describe*] as well as other intellectual property and confidential information of the Company associated with the Company and the Company’s current and prospective business (collectively, the “Information”). The Company has informed me that it will not provide me with any [additional] Information without first receiving this signed agreement.
